

FAQ's

This document was developed to assist with the EVUSA On-line Registration process for the 2026 Membership year and to provide answers to common questions.

There have been a number of changes to the registration system due to the need to meet our compliance requirements to remain an USEF affiliate. More work on the system is needed to improve the User experience and we look forward to seeing those improvements during 2026!

If you have any questions not answered in this document, please contact the info@equestriantVaulting.org. If you have questions specific to the EVUSA policies, please feel free to email compliance@equestriantVaulting.org.

HOW DO I RENEW MY EVUSA MEMBERSHIP?

Review [Assessment and Benefits of EVUSA Membership](#)

*** The changes to the Membership system still allow Clubs to pay for Coach's memberships, Parents to pay for their children, etc. One change is that the word "Household" has been replaced by "Account". The major change is the REQUIREMENTS THAT WITHIN THE ACCOUNT EACH INDIVIDUAL (OR PARENT OF MINOR) MUST SIGN THEIR OWN APPLICATION. UNTIL FURTHER SYSTEM REFINEMENTS ARE MADE- THE APPLICANT MUST BE PRESENT WITH THE ACCOUNT HOLDER TO SIGN THE APPLICATION AT THE TIME OF PAYMENT.

Please note: that the Account holder does not have to purchase or renew all members of their account at the same time. Simply access the Membership system when it is convenient for the applicant and complete/sign the application for that individual.
